Please, fill out and return original form to: QUINOCO 289 Terryville Ave. Bristol, CT. 06010.

Please do not forget to sign this agreement below.

Quinoco, Inc. (Quinoco) agrees to sell and Buyer agrees to purchase all of the #2 heating oil necessary for the heat and /or hot water needs for the property located at _____ for the period from 11/7/11 to and including 4/30/12 or until the selected amount of gallons has been delivered, whichever comes first, at the fixed rate listed below.

During agreement period, the gallons purchased under this agreement must be delivered before fuel from a future agreement or fuel priced at our daily posted rate. Quinoco is making a significant commitment to supply you oil at this price. This contract will be enforceable whether prices rise or fall.

This agreement locks in your oil price on the amount of gallons that you have selected so that you don't have to worry if prices head even higher. But with oil prices being as volatile as they are, there is the possibility that they could fall, leaving Buyer that chose to go with this fixed price agreement paying more than people who didn't. Please consider this and be sure that you are willing to take this risk before signing this agreement.

Please check delivery schedule type: AUTOMATIC__ or WILL CALL__ If automatic, buyer agrees to accept oil deliveries from Quinoco on an automatic basis as determined by Quinoco, which shall use its best efforts to keep Buyer's property in good inventory to assure adequate heat and/or hot water during the contract period. Automatic delivery will continue after contract period at Quinoco's daily posted price unless a new price agreement is entered into or cancellation in writing is received by Quinoco.

Quinoco's minimum delivery is 125 gallons. Should Buyer have less than this amount left in fixed price gallons the difference will be delivered at our daily posted rate. A \$25.00 delivery fee will be charged for deliveries when Buyer requests less than 125 gallons.

Buyer agrees not to purchase any fuel oil from any vendor other than Quinoco during this period for this property.

Buyer agrees to purchase this heating oil strictly for the needs of this property and agrees not to resell or otherwise transfer any portion of the oil delivered by Quinoco to another location.

Quinoco may only be excused from performance upon extreme exceptional circumstances beyond its control such as; Acts of God, extreme weather conditions, floods, earthquakes, strikes, war, natural disaster, etc. In order to participate in this program, Buyer's account with Quinoco must be and remain in good standing.

Should Buyer have fixed price gallons left after the 4/30/12 expiration date their value may be applied toward next years fuel and/or other Quinoco products and services. Any gallons that may be remaining from last years agreement will not be carried forward to this agreement.

Early Cancellation fee:

Participants terminating this agreement early, for whatever reason (including sale of property), when Quinoco's regular retail price is lower than the rate in this agreement, will be charged a cancellation fee based on the difference between the two prices, multiplied by the number of remaining gallons.

Example; if a customer wishing to cancel has 200 gallons of 3.699 fixed rate oil left and the retail price at the time was 3.499 the cancellation fee would be figured as follows, 3.699 - 3.499 = .20 X 200 = \$40.00.

Anyone wishing to cancel their fix price contract should 1st contact us by phone and then, within 5 days, we must receive the cancellation fee, along with cancellation notification in writing, at any of our locations.

Please check amount of gallons. Please feel free to call if you would like our input.
